Hi everyone, nice to meet you.
I'm Antony and i'm 24 years old
right now.

2

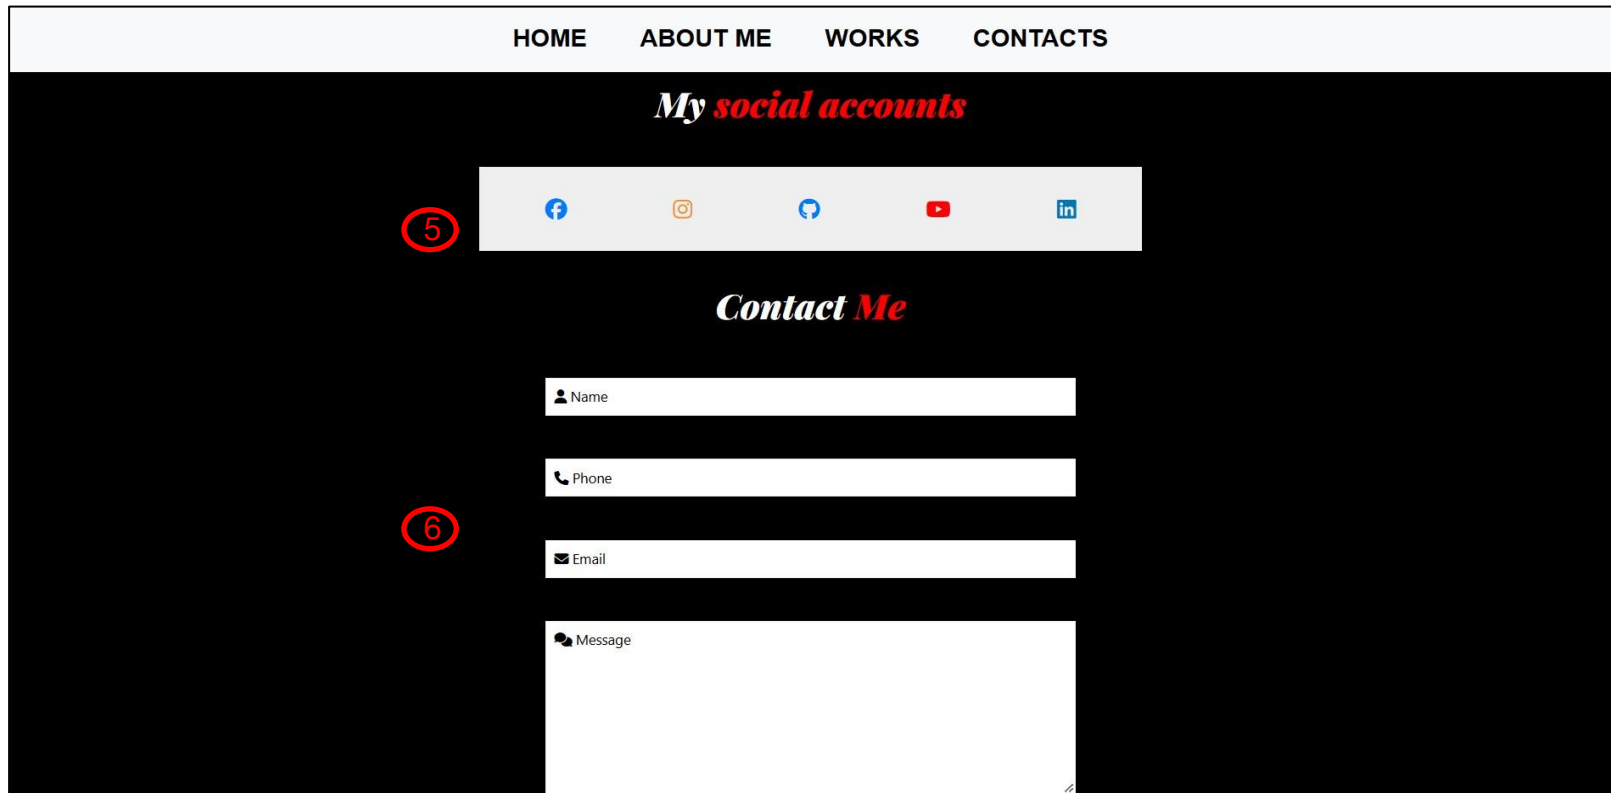

I am an aspiring web developer
passionate about technology
and with a great desire to learn.

My goal everyday is to be
even more curious than yesterday
and improve myself.
My passions are music, movies
and books...
to open new perspectives.

2. Informational bio on my main aspirations and interests

3. List of skills acquired during my training (constantly being updated)
4. Portfolio of projects with the various links to project sites (constantly being updated)

- 5. Icons that lead, with an internal link, directly to my social channels
- 6. Form possible to fill out so you can contact me directly on personal email
